

Salmon Migration Updates for NPCC

| When | Where | Primary Topics | Additional Topics |
|-----------|-------------|--|--|
| April | Boise | Spring Chinook updates: Run status Forecasts lower-river harvest catches, ESA impacts | ESA-listed species impact limits Lower-river fisheries Treaty fisheries More detail on impacts and guidelines How calculated How monitored Translate into actual fish numbers Smolt emigration W/H emigration estimates Geographic display, numbers Steelhead Forecasts Management |
| May | Walla Walla | Spring Chinook updates: Run status Forecasts lower-river harvest catches, ESA impacts | ISAB Harvest Report Carry-forward from April list |
| June | Portland | Spring Chinook wrap-up: Lower-river harvest, ESA impacts Zone 6 harvest, if complete Final Bonneville count W/H composition Spring Chinook updates: Upper-river fishery activity Upper-dam run status | Summer Chinook Forecasts (Bonneville counting begins about first day of Council meeting) |
| July | Portland | Summer Chinook Forecasts Management planning Fisheries, escapement ESA impact limits Fall Chinook Forecasts Management planning Fisheries, escapement ESA impact limits | |
| August | Montana | Summer chinook wrap-up Fall Chinook Fisheries, escapement ESA impact limits | |
| September | Washington | Fall Chinook Fisheries, escapement ESA impact limits | |
| October | Oregon | | |
| November | Idaho-CdA | | |
| December | Portland | | |
