

DATE: October 5, 2005

TO: Anadromous Fish Advisory Committee (AFAC)

FROM: Dave Statler, chair  for

SUBJECT: October 13, 2005 AFAC Meeting Announcement and Draft Agenda

The next AFAC meeting is scheduled for October 13, 2005 from 9 am until Noon. The primary purpose of the meeting will be to discuss the anadromous populations list for development of a basin-wide database to support a CBFWA Status of the Resource Report.

Anadromous Fish Advisory Committee Meeting
October 13, 2005
9:00 a.m. to Noon
@
CBFWA Office – Portland, Or
Teleconference number: (503) 229-0449 Id: 899035

Draft Agenda

- ITEM 1: Election of AFAC Chair and Vice-chair**
- Dick Stone and Dave Statler have agreed to run for chair for the next year.
- Dave Ward has accepted a nomination for vice-chair, which will automatically move him into the Chair position one year from now, if elected.
- Action will be required to elect the chair and vice-chair.
- ITEM 2: Review list of proposed anadromous fish populations for Status of the Resource Report**
- CBFWA staff has provided a draft list of proposed focal populations (attached – AFACpoplist.xls). The AFAC will identify the process for completing the list of populations and identifying the parameters that should be used for determining status (objectives).
- ITEM 3: Next Meeting**
