| <b>1. Recommended Amendments to the Introduction of the Program .....</b>                                    | <b>4</b>  |
| 1.1. Maintain the Geographic Program Structure for Fish.....   | 4         |
| 1.2. Meld the Elements of the Program into One Document.....   | 5         |
| 1.3. Include the Following Description of Adaptive Management as the<br>Architecture of the Program.....     | 5         |
| 1.4. Include the Following Description of the Program's Integration with the<br>Endangered Species Act ..... | 7         |
| 1.5. Describe the Scope of the Program as Broader than BPA.....  | 10        |
| 1.6. Define BPA's Obligations within the Regional Context .....  | 12        |
| 1.7. Include the Statutory Basis for the Fish and Wildlife Agencies and Tribes<br>Role in Program .....      | 13        |
| 1.7.1. Planning .....  | 13        |
| 1.7.2. Implementation .....  | 15        |
| 1.7.3. Evaluation .....  | 16        |
| <b>2. Recommended Amendments to the Basin Wide Provisions .....</b>  | <b>17</b> |
| 2.1. Fish.....   | 17        |
| 2.1.1. Current Biological Condition.....   | 17        |
| 2.1.2. Biological Objectives.....  | 18        |
| 2.1.3. Limiting Factors.....   | 19        |
| 2.1.4. Strategies and Measures.....  | 24        |
| 2.1.5. Monitoring .....  | 38        |
| 2.1.6. Reporting.....  | 47        |
| 2.1.7. Evaluation .....  | 66        |
| 2.2. Wildlife .....  | 73        |
| 2.2.1. Current Condition .....   | 73        |
| 2.2.2. Biological Objective .....  | 73        |
| 2.2.3. Limiting Factors.....   | 74        |
| 2.2.4. Strategies and Measures.....  | 77        |
| 2.2.5. Monitoring .....  | 80        |
| 2.2.6. Reporting.....  | 81        |
| 2.2.7. Evaluation .....  | 85        |
| <b>3. Recommended Amendments to the Ecological Provinces for Anadromous<br/>    Fish   86</b>                |           |
| 3.1. Existing Condition .....  | 86        |
| 3.2. Biological Objectives .....   | 86        |
| 3.3. Limiting Factors.....   | 86        |
| 3.4. Strategies and Measures.....  | 86        |
| 3.5. Monitoring .....  | 87        |
| 3.6. Reporting.....  | 87        |
| 3.7. Evaluation .....  | 87        |
| <b>4. Recommended Amendments to the Subbasin Plans.....</b>  | <b>87</b> |
| 4.1. Anadromous Fish by Subbasin .....   | 87        |
| 4.1.1. Mainstem Columbia/Snake Rivers .....  | 87        |
| 4.1.2. Columbia River Estuary Province and Ocean .....   | 87        |
| 4.1.3. Lower Columbia Province .....   | 87        |

|           |   |            |
|-----------|---|------------|
| 4.1.4.    | Columbia Gorge Province.....  | 87         |
| 4.1.5.    | Columbia Plateau Province.....                                      | 87         |
| 4.1.5.1.  | Columbia Plateau Province Steelhead Summary.....                    | 87         |
| 4.1.6.    | Columbia Cascade Province .....                                     | 88         |
| 4.1.7.    | Blue Mountain Province .....  | 88         |
| 4.1.8.    | Mountain Snake Province .....                                       | 88         |
| 4.1.9.    | Intermountain Province.....   | 88         |
| 4.1.10.   | Middle Snake Province .....   | 88         |
| 4.1.11.   | Lamprey .....   | 88         |
| 4.1.12.   | Eulachon (Smelt) .....  | 88         |
| 4.2.      | Resident Fish by Subbasin.....                                      | 93         |
| 1.1       | 3 Lower Columbia Province .....                                     | 93         |
| 1.2       | 5.4 Columbia Gorge Province.....                                    | 99         |
| 1.3       | 5.5 Columbia Plateau Province.....                                  | 106        |
| 1.4       | 5.6 Columbia Cascade Province .....                                 | 125        |
| 1.5       | 5.7 Intermountain Province.....                                     | 136        |
| 1.6       | 5.8 Mountain Columbia Province.....                                 | 180        |
| 1.7       | 5.9 Blue Mountain Province .....                                    | 189        |
| 1.8       | 5.10 Mountain Snake Province .....                                  | 193        |
| 1.9       | 5.11 Middle Snake Province .....                                    | 195        |
| 1.10      | 5.12 Upper Snake Province.....                                      | 203        |
| <b>5.</b> | <b>Recommended Amendments to the Implementation Provisions.....</b> | <b>204</b> |
| 5.1.      | Implementation Funding .....  | 204        |
| 5.1.1.    | In-Lieu Funding Restrictions .....                                  | 204        |
| 5.1.2.    | Carryover Funding .....   | 205        |
| 5.1.3.    | Use of BPA's Borrowing Authority .....                              | 205        |
| 5.1.4.    | Investigate Cost Effective Administration of Program Implementation | 206        |
| 5.1.5.    | Relationship between Project Funding and BPA Rate Case.....         | 206        |
| 5.2.      | Project Selection Process.....                                      | 208        |
