

# PREDATION WORKSHOP

## Review, Evaluate, and Develop Strategies to Reduce Non-Native Piscivorous Predation on Juvenile Salmonids

**September 24, 2008**  
**9:00 AM to 4:30 PM**  
**Oregon Zoo**  
**Portland, Oregon**

**Part 1: What we know about native and non-native piscivorous predation**

Invited Speakers: Tom Friesen (ODFW)  
Erick Van Dyke (ODFW)  
Matt Mesa (USGS)  
David Bennett (University of Idaho—emeritus)  
Anthony Fritts (WDFW)

**Part 2: (a) What can be done biologically and technically to manage predation by non-natives?**

**(b) What can be done socially and politically to manage predation by non-natives?**

(Facilitated Discussions)

**Part 3: What are the next steps?**

**Target Attendees: Fish Managers and Action Agencies Technical and Policy Staff**

**Registration is Free but is Required!**

Contact Dave Ward at CBFWA ([dave.ward@cbfwa.org](mailto:dave.ward@cbfwa.org); 503-274-7285) for additional information and to confirm your attendance. Please register by August 22. A detailed agenda will be distributed by August 29.
